## **S.E.T. Exercise Briefing**

A.R.R.L. Annual Simulated Exercise Test for the Medical Services teams will be held Saturday, October 28th, in most of the hospitals in Western Washington. Please attend this exercise briefing to learn the scenarios, objectives, and operations plan, and get your assignments.

## **Review of WA. State RACES Plan and Forms**

Learn how the State Emergency Management Division expects the ARES/RACES teams to interact with local, regional and State emergency agencies in a real disaster. They have defined specific communication paths, and hierarchies that affect who and when we communicate with them.  
Don't let your message go to the wrong place and be ignored.
