# MEDICAL SERVICES Communications Team TRAINING PROGRAM

Video presentation of “Fire Mountains of the West”, a historic exploration of the Cascadia volcanoes. Mt. Baker to Mt. Lassen. The eruption of any one of these volcanoes could be bigger than the 1980 eruption of Mt. St. Helen. If we have time following this, we will show the video on Personal Survival Kit. This is more than your “Jump Kit”, and will help prepare your family and self for a prolonged emergency response.

Following the training, we will conduct the “official” Annual Meeting of the Corporation. This will include election of officers and trustees. Only those who have paid dues to the corporation in the past year are eligible to vote in the election. Dues, which are voluntary, provide operating support, and support for the repeater system, which we are trying to expand.

**The meeting location: Highline Comm. Hospital , 16251 Sylvester Road SW. Burien.**  
Meeting is in: **One Alder Conference Room.**

## Driving Instructions:

- From I-5, take the Burien/SeaTac Airport Exit onto Highway 518.
- As freeway ends, watch for signs to 509 South/Des Moines. Turn left onto 509.
- Take first exit, South 160th Street. Turn right onto 160th. Cross First Avenue south (second traffic signal) through flashing light to Sylvester Road SW (third traffic signal).
- Turn left onto Sylvester (middle school on left). Hospital is on right.
- Turn right into driveway and parking is available in the parking garage on the left.
- Enter the Main entrance of the hospital across the driveway from the parking garage.
- When you enter the lobby, the Alder Wing is to the right. Go to the back of the lobby and down a short hallway to the right. Halfway down the short hallway is another short hallway to the left. The doorway to the auditorium/conference room 1 is at the end of that second short hallway.
