## Medical Services Team Training

Team discussion on what we learned during this very important exercise. Bring your notes, thoughts, ideas on what went right, what went wrong, what needs to be fixed, and how we can continue to improve.

We also have a 6-hour tape of the VNN broadcast from the exercise, which we'll show excerpts from, and I am trying to get clips from the actual scene.

**Talk In frequency 146.420 simplex**

*The meeting location: **Children's Hospital**  
4800 Sand Point Way NE, Seattle*

**Driving Instructions:**

***I-5 North or Southbound:***

Take NE 45th St. Exit from I-5 and go east on NE 45th. Continue east, through University District, down the viaduct past University Village. Turn left at bottom hill. Go north on NE 45th/Sand Point Way NE to NE 48th.

Turn right into hospital grounds  
Park in the Whale parking garage (no charge) - take a ticket.

**Meeting is in the MCR-3 Conference Room**
