MEDICAL SERVICES Communications Team TRAINING PROGRAM

Chandra Fox will present the FEMA class Weapons of Mass Destruction Awareness level course for First Responders. Chandra is a program coordinator for Emergency Services Coordinating Agency (ESCA) in south Snohomish County. This class is not a required class for volunteers, but is strongly recommended for those who are asked to respond to a potential emergency.

We will also discuss the upcoming Simulated Emergency Test (SET) on October 1, and do some scenario planning, assignments, etc.

Please attend this very interesting class if you can.

The meeting location: Evergreen Hospital, 12040 NE 128th St, Kirkland. Meeting is in: **Green Zone**—Images Conference Center Rooms 204.1/204.2 (near the Cafeteria) (Classroom assignment is tentative)

Driving Instructions: Southbound on I-405 Take the NE 124th Street exit; turn right onto 124th, then right onto 116th Avenue, right on NE 132nd, right onto 120th Avenue NE and left onto NE 130th Lane. **Northbound on I-405** Take the NE 124th Street/Totem Lake Boulevard exit; take the Totem Lake Boulevard exit, and proceed straight at the light to NE 130th Lane. Park near the Green entry, or in the Parking Garage. **Talk-in frequency is 146.42 simplex.**
