# MEDICAL SERVICES Communications Team TRAINING PROGRAM

There will be a video and discussion on how to protect yourself from blood-borne pathogens you might be exposed to in the hospital environment.

Following that, Marina Zuetell will present the certificates and after-action report from the May 13 exercise, and discuss development of a primary and alternate communication plan for Pierce Co Medical Services Team.

We'll also discuss the IRIS credentialing program and take photos for IRIS ID cards.

It is very important that as many of you as possible attend this meeting please.

I'll bring treats!

**The meeting location: Pierce Co FD 13—  
Station 13-14815 Wa Tau Ga, Ave NE,  
Browns Point**
